

A11d Pray in Your Room, Matthew 6:1-6;16-18, Ash Wednesday

Don't stand in front of a crowd and say, "Look at me, I am praying." God can hear you even if you whisper. You do not have to pray out loud. God doesn't want you showing off. He does not want you distracted by television or other people. He wants his prayer time with you by yourself. If two or more people are praying along with you, this is music to God's ears. He wants you to tell him what is in your heart. The Our Father is the perfect prayer. Say it when you are in trouble. Say it when you are happy. Say it when you are hungry. Say it when you are tired. You will feel better when you pray.
