

A14 You Shall Not Thirst, John 4:5-26, 28-30, 39-42, Third Sunday in Lent

Imagine yourself on a very hot summer afternoon in Samaria. You just walked one mile to the well to get water to take back home with you. You thought to yourself, "I am so thirsty. I could drink all of this water before I get back home." You got really excited when Jesus told you that if you drank of his water, you would never thirst again. You would not have to walk out in the heat of the day to get more water to drink. Then Jesus told you everything you did in your life: both the good and the bad. Even the things you did not think anyone knew. You tell all of your friends, "I have found the Messiah, the one who has come to save us from our sins."
