

A23 If You Love Me, John 14:15-21, Sixth Sunday of Easter

Jesus said, "If you love me, keep my commandments." When you love God above all things and love your neighbor as yourself, then you are obeying all ten of the commandments, God gave to Moses. Decide to love God more than television, money, or your best friend. Make God Number One. Show God that you can and will treat yourself and your neighbor with respect, kindness, and forgiveness. Share what you have with others. God will send good things your way in return.
