

A26 God So Loved the World, John 3:16-18, Trinity Sunday

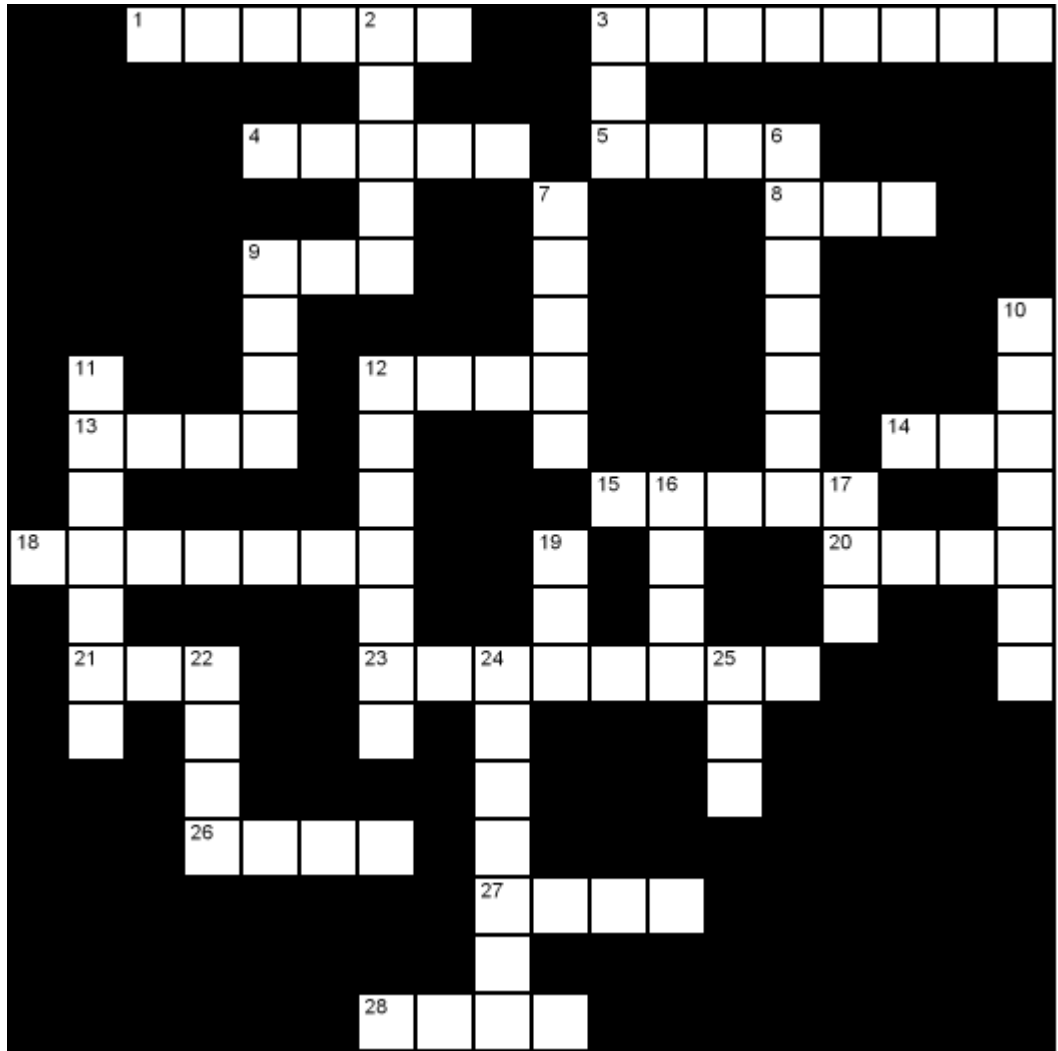

God sent his only Son into the world to save you from your sins. He does not want your soul to die. He wants your soul to have eternal life with him in heaven. He wants you to choose good over evil. God heals your soul every day of your life because you believe in him. The body you have is temporary. When you die, your body will be renewed. All of its scars will be erased. Even if you cannot walk while you live on earth, you will be able to walk anywhere you want in heaven. If you are blind on earth, you will be able to see in heaven. Look forward to that day. Thank God for sharing his only Son, Jesus Christ with you.
