

## A31 Love God More, Matthew 10:37-42, Thirteenth Sunday in Ordinary Time

Love God more than the flowers blooming in the garden. He wants you to love him more than your Mother and Father, your sister, or your brother. God wants you to love him more than books, televisions, and movies. God wants you to love him more than your puppy or your kitten. God wants to be first in your life. He wants to be number one with you. Tell God that you love him the most.
