

A32 Come to Me, Matthew 11:25-30, Fourteenth Sunday in Ordinary Time

Jesus invites you to come to him when you have a problem or when you want to share good news. When you are very excited about meeting a new friend, tell Jesus about it. When you are sad because your cat died, talk to Jesus about it. He wants you to come to him to pray and talk every day of your life. He will help you find a good way of looking at your problems. He will help you look at the bright side of life.
