

A33 Sow Seeds in Rich Soil, Matthew 13:1-23

Fifteenth Sunday in Ordinary Time

Take a seed. Put it in rich soil. Water it every day if they soil is dry. Put it in the sunlight. You are one of God's seeds. He gives you just the right kind of soil. He gives you just enough water. He gives you just the right minerals. If you are not growing correctly, take time to pray. Talk to God. Tell him how you want to grow. Tell him what you want to do for him. He will help you. He will send what you need to grow towards him. Let him be your light. He will help you grow and blossom on the path to heaven.
