

A37 Command Me, Matthew 14:14-33, Nineteenth Sunday in Ordinary Time

Peter told Jesus, "Command me to come to you on the water." When Jesus did, Peter walked on the water until he started to doubt what he was doing. Then he was afraid he would drown. But Jesus saved him. Sometimes you might be like Peter. You believe that you can do what Jesus calls you to do, until you become afraid. You lose faith in yourself because others say you cannot do that. You have to believe in yourself. God, the Father believes in you. God the Son believes in you. He sends the Holy Spirit to help you accomplish the miracles in your life. You can make it happen. You have the power.
