

**A42 Forgive Seventy Times Seven Times, Matthew 18:21-35,
Twenty-Fourth Sunday in Ordinary Time**

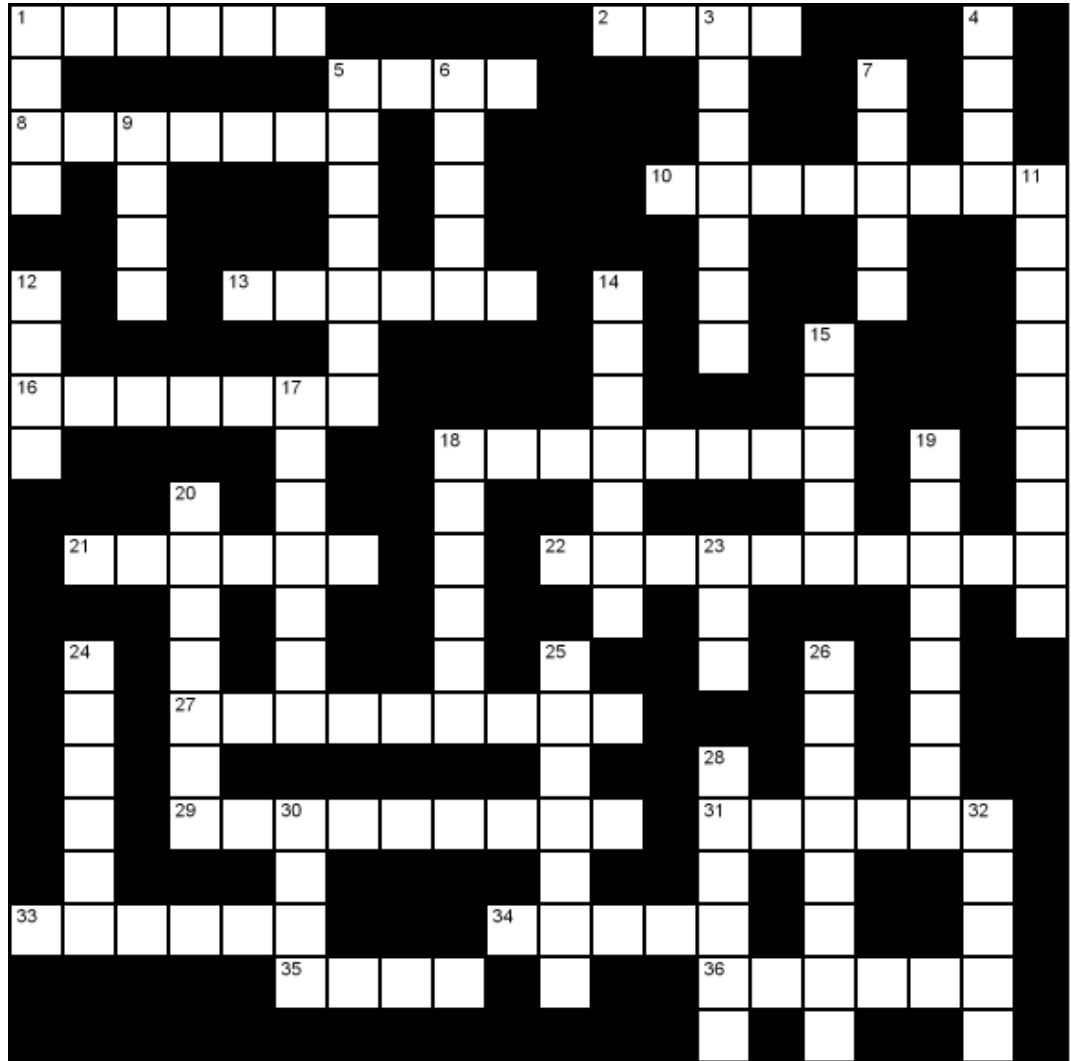

It is difficult to keep track of whether you have already forgiven your sister seventy times seven times. Suppose her list of wrongs keeps growing. First, she breaks your favorite toy. Then, she spills paint on your new shirt. Next, she lets the dog chew on your basketball shoes. It will be harder to forgive her, if you let them stack up like a traffic jam. God says do not keep track. Forgive her right away and every time, just like he does you.
