

## A4 Joseph Takes Mary As Wife, Matthew 1: 1-18

An Angel appeared to Joseph and told him not to do away with Mary. He listened and took her as his wife and loved her very much. He took good care of her. He wanted to keep her well and safe. Care and protect your family and friends. God will show you what to do and say. An idea will come in your head. Then you will say, "Yes, God would want me to do that."
