

A50 Ten Virgins with Lamps and Oil, Matthew 25:1-13 Thirty-Second Sunday in Ordinary Time

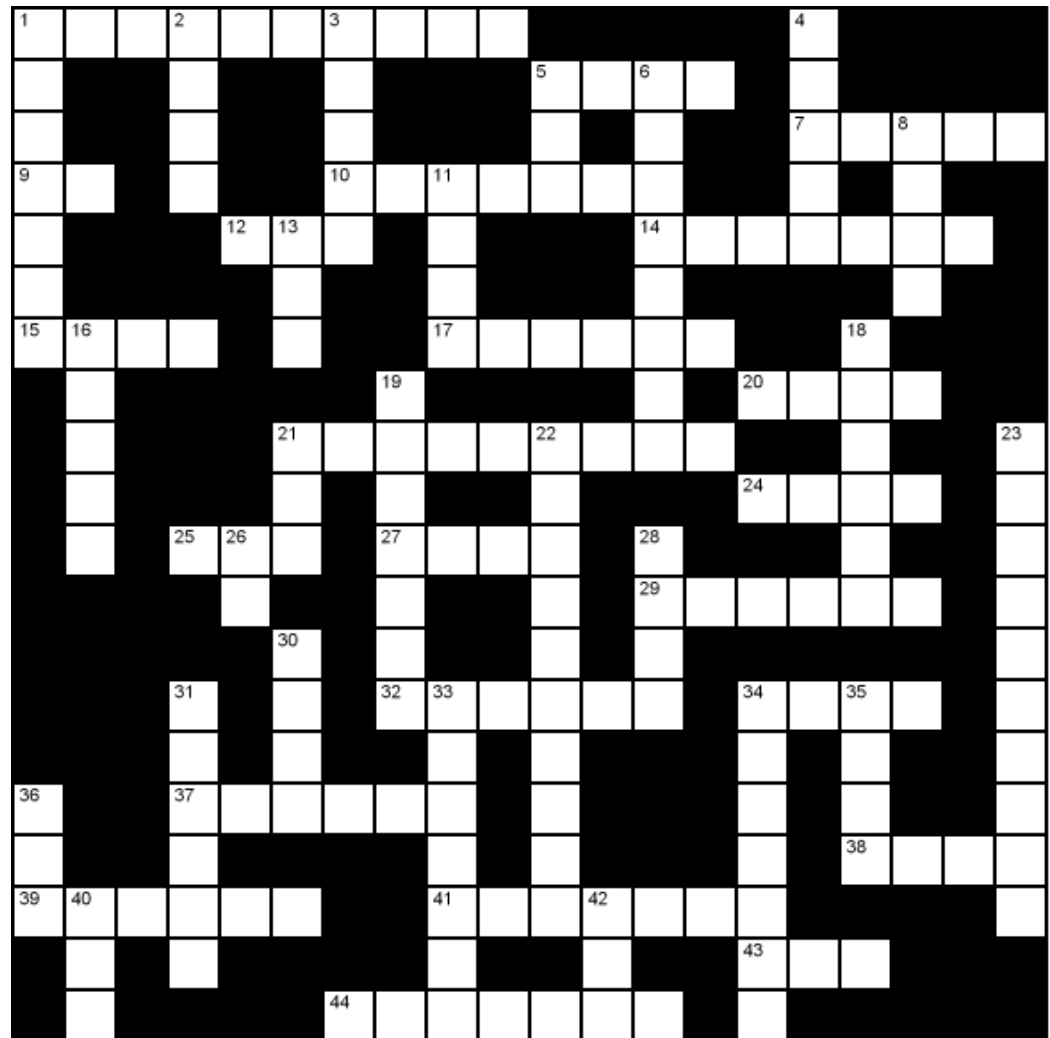

God gives you a lamp and extra oil to light the way to heaven. It is up to you to take good care of it. If you waste the oil, you will not have light when Jesus calls you. If you lose your lamp along the way, you will have to stop and look for it. God wants you to think ahead of how to keep yourself out of trouble. Are you armed with prayer and scripture to keep you on God's path? Prepare your own soul. You can't get into heaven using your neighbor's light. You must have your own light. Love God above all things. Love your neighbor as yourself. Forgive yourself and others. This is fuel for your lamp.
