

**A50a Stop Making My Father's House a Marketplace, John 2:13-22,  
Feast of the Dedication of the Lateran Basilica in Rome**

Dedicate your house to the Lord. Make a corner to display the Bible and your favorite CDs of Godly music. Make a poster with your family's pictures and favorite scriptures on it. Put a chair near the corner so you can sit and read the scriptures. Put a candle and a bottle of holy water in your Holy Corner. Pray in your corner. When your actions show that you love God above all things and your neighbor as yourself, God will know that you have dedicated your house to him.
