

**A5 Holy Family Leaves for Egypt, Matthew 1:1-18,
Feast of the Holy Family**

Joseph had a big job keeping his wife and son safe. Your mother and father also have a big job in keeping you safe. You can help. When you ride in a car, buckle your seat belt. Don't make loud noises or fight with your brother or sister. Read a book. Play a quiet game of "I spy" or count animals, cars, buses. Make a list of the states on license tags. Find signs for each letter of the alphabet. This will be fun and help keep you safe while traveling in a car, too. God will be very proud of you.
