

## B10 Jesus Teaches in the Synagogue, Mark 1:21-28, Fourth Sunday in Ordinary Time

When Jesus taught in the synagogue, he cured people and got rid of unclean spirits. Everyone wanted to see him for themselves. People flocked to see him. They stood in line for hours, just to get a glimpse of him. Be sure to put God first in your life. Spend hours praying and talking with God. Read the scriptures. God will show you what he wants you to do. You won't have to go anywhere. You won't have to stand in line. You can talk with him anytime of night or day.
