

**B13b Don't Blow a Trumpet before You, Matthew 6:1-6, 16-18,  
Ash Wednesday**

When you are going to give money to the poor, keep it a secret. Don't blow a trumpet and announce, "Look at me everybody. I am doing something good for the poor." God doesn't want you to help others because it will be on television or listed in the newspaper. God wants you to give because you love him.
