

## B14 Repent and Believe, Mark 1:12-15, First Sunday in Advent

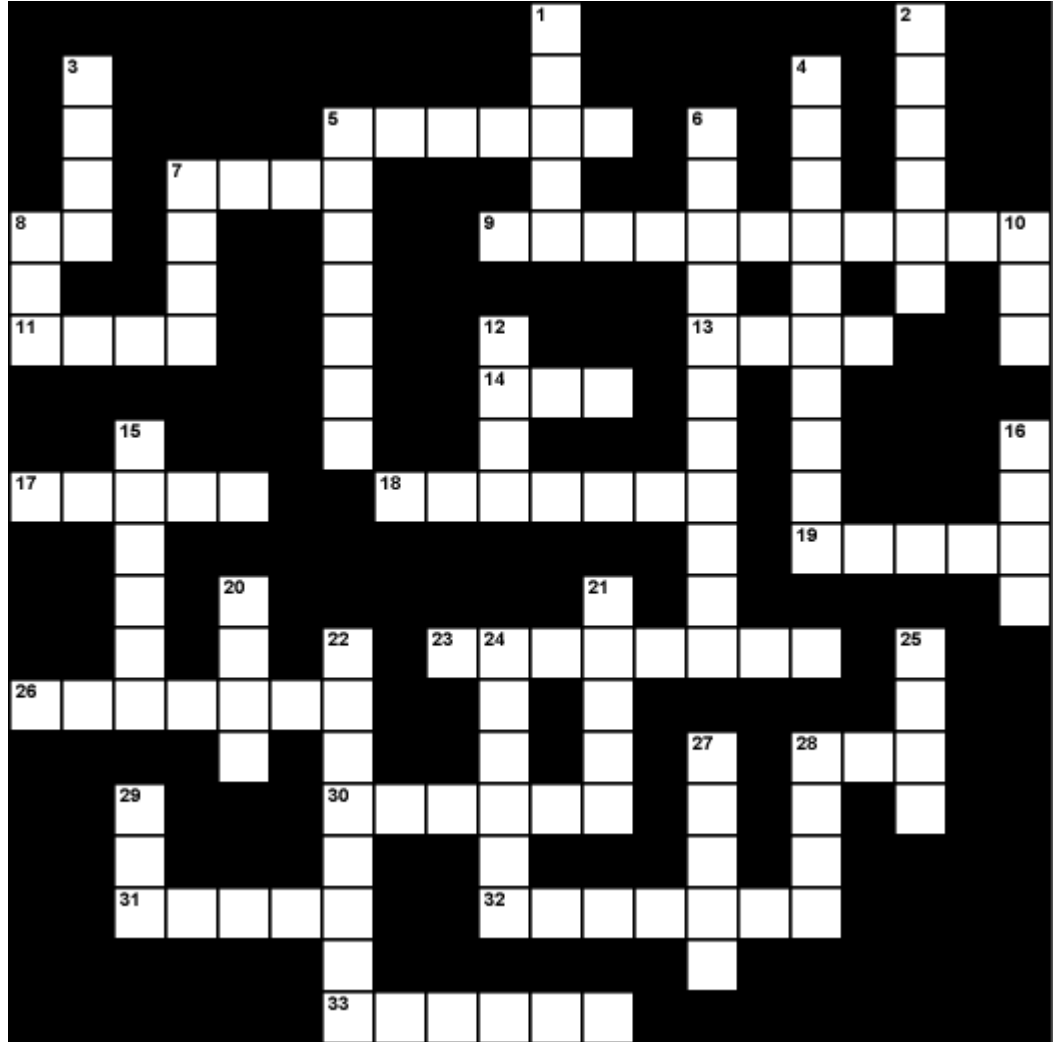

Satan pushed Jesus to the desert where he had to pray in order to resist his temptations. He prayed for forty days. He kept saying "No." Then he came back into town and told everyone to repent and believe. When you find that you are tempted to do evil, take 40 seconds, 40 minutes, or 40 hours to pray that God will help you. He will send the angels to take care of you. He will make you strong. If you couldn't resist the temptations and said "Yes" to evil, then repent and believe that God will forgive you and give you the strength to stop.
