

B18 Grains of Wheat, John 12:20-33, Fifth Sunday in Lent

You are a grain of wheat made by God to grow in the finest fashion. When God created you he had a purpose in mind for you. No one else can do what you can do. The hard times you have in life make you stronger in the ways of the Lord. You may feel weaker but when you do things for others, you are getting stronger and stronger on the inside. Your faith and confidence in yourself will grow and withstand the weather and bloom.
