

## B19a They Took Palm Branches, Mark 11:1-10 or John 12:12-16, Procession of the Palms

Jesus told his disciples to find a donkey. They put their cloaks over it. Then Jesus rode it through town. People waved palm leaves and hailed him as their King. Then the next day they called for him to be crucified. Be loyal to God. Don't turn your back on him. When you are afraid, spend an hour talking with God. He will make you strong where you are weak. He will replace your sorrow with joy. He will put wise words on your lips. God wants to be the king in your life. Show your love for him by helping others.
