

## B21 Doubting Thomas, John 20:19-31, Second Sunday of Easter

Sometimes you are like, Thomas. You have to see before you believe. God wants you to believe in him, even if you don't see proof. Have faith that God will give you what you need. Believe that he forgives you of all of your sins. No matter how big or how small, all of your sins are forgiven. His mercy is divine. Share God's love and forgiveness with those who hurt you or don't believe in you.
