

B26 Protect Them from the Evil One, John 17:11-19, Seventh Sunday of Easter

Jesus asked God the Father to protect you from the Evil One. God will send his angels to keep you from harms way. God will send you the energy and wisdom you need. He knows your every fear. He knows what you need to succeed in life. He knows why he made you. He made you to do something no one else can do. Ask him to whisper it in your ear. He will guide you through it. He will keep you away from the devil. He will fill you with goodness and mercy all the days of your life.
