

B26a Proclaim the Gospel, Mark 16:15-20, Feast of the Ascension

Jesus asked his disciples to proclaim the Gospel throughout the world. Then he ascended into heaven. Imagine the surprise of the apostles to see Jesus taken up into heaven and sit at the right hand of God. Jesus said all those who believed and were baptized would be saved. Jesus wants you to tell everyone about his teachings. His priests proclaim the Gospel at church. You can proclaim it by your actions. Love God above all things and love your neighbor as yourself. Actions speak louder than words. Others will know you are Christians by your love.
