

B2a I Am the Handmaid of the Lord, Luke 1:26-28, Feast of the Immaculate Conception

Sometimes when you have a hard job to do, you get frightened. Mary was frightened, too. Yet she told God that she would do the job of being the Mother of his son, Jesus Christ. She was willing to do this work for him. God has a job for you to do, too. He will give you all the power and energy you need. He will surround you with knowledge and protection. All you need is to have faith in yourself and faith in him to help you carry out his plan.
