

B36a Jesus Is Transfigured, Mark 9:2-10, Transfiguration of the Lord

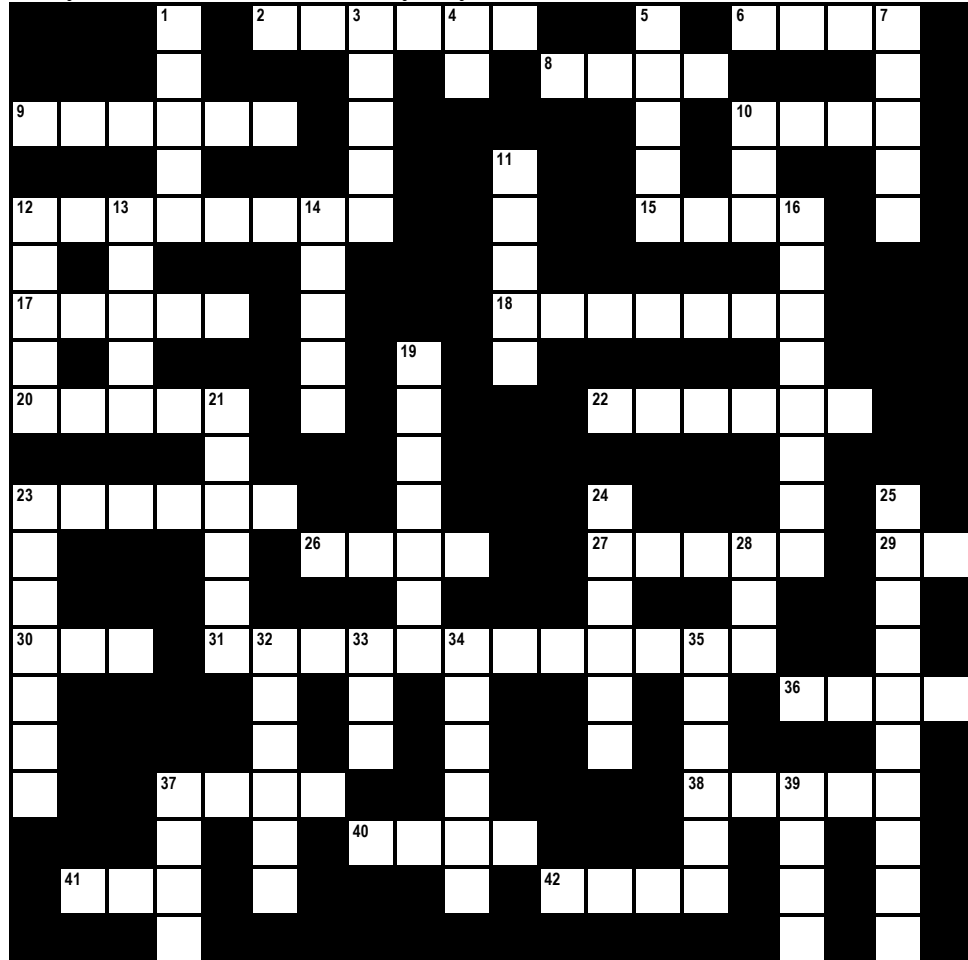

When Peter, James, and John saw white rays of light shining from every part of Jesus' body, they were frightened. They also saw Moses and Elijah. They offered to set up a tent for them. God's voice came from a cloud, "This is my beloved Son. Listen to him." Remember that God wants you to listen to his son and love him more than anything. He wants you to love your neighbor as yourself. Today fix a tent for Jesus to stay in your heart.
