

B3 Voice Crying Out in the Desert, John 1:6-8, 19-28, Third Sunday in Advent

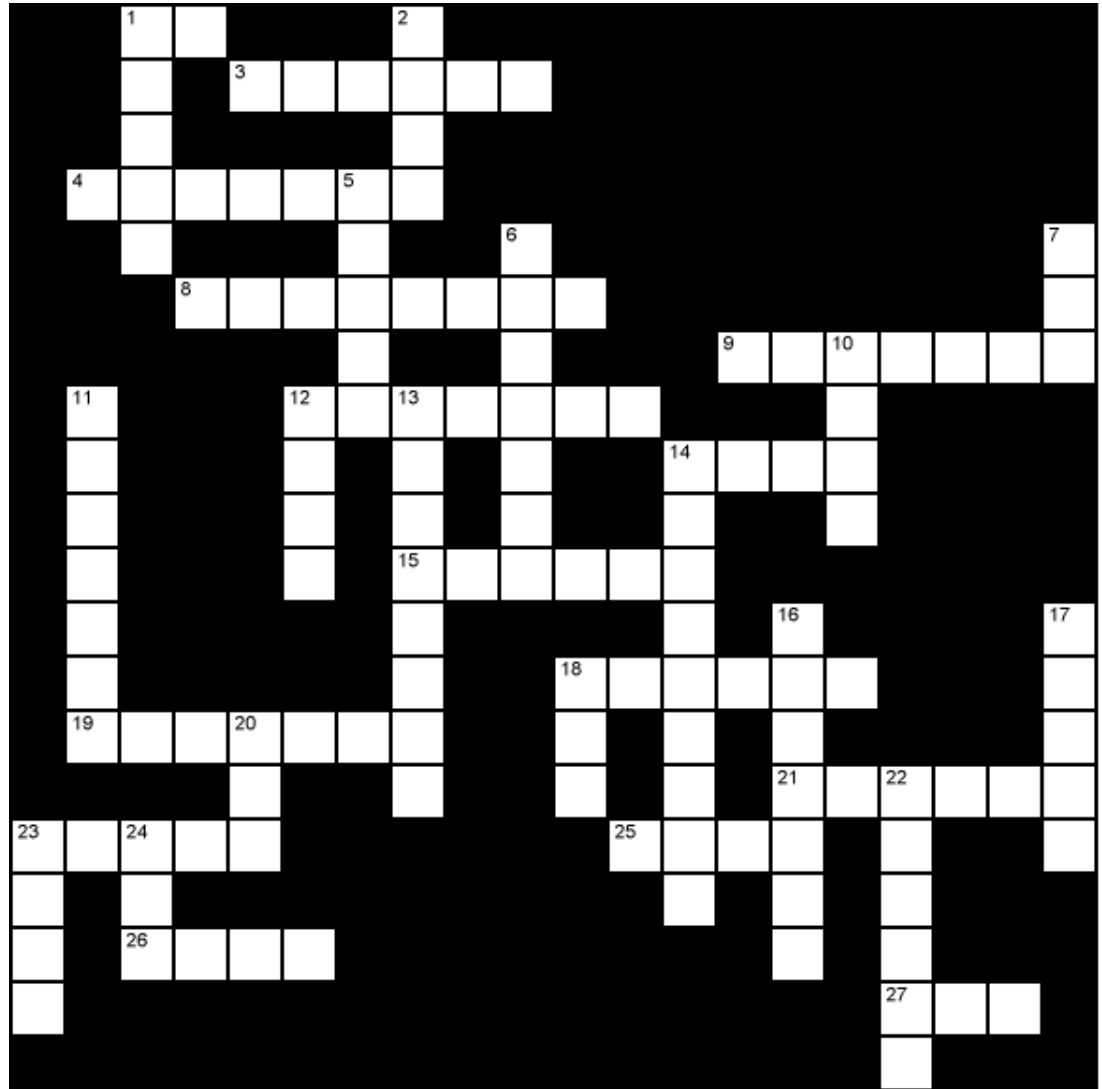

Your conscience is like John the Baptist telling you to repent. Tell God you are sorry that you have sinned. This voice you hear inside you is God telling you what to do. That is God telling you that he loves you very much. Tell God you are listening to him. Pray for the poor. Pray for the rich. Pray for those who have no food. Pray for the homeless. Pray for those who have no water to drink. God will be proud of you for listening to him.
