

**B48 I Want to See, Mark 10:46-52,
Thirtieth Sunday in Ordinary Time**

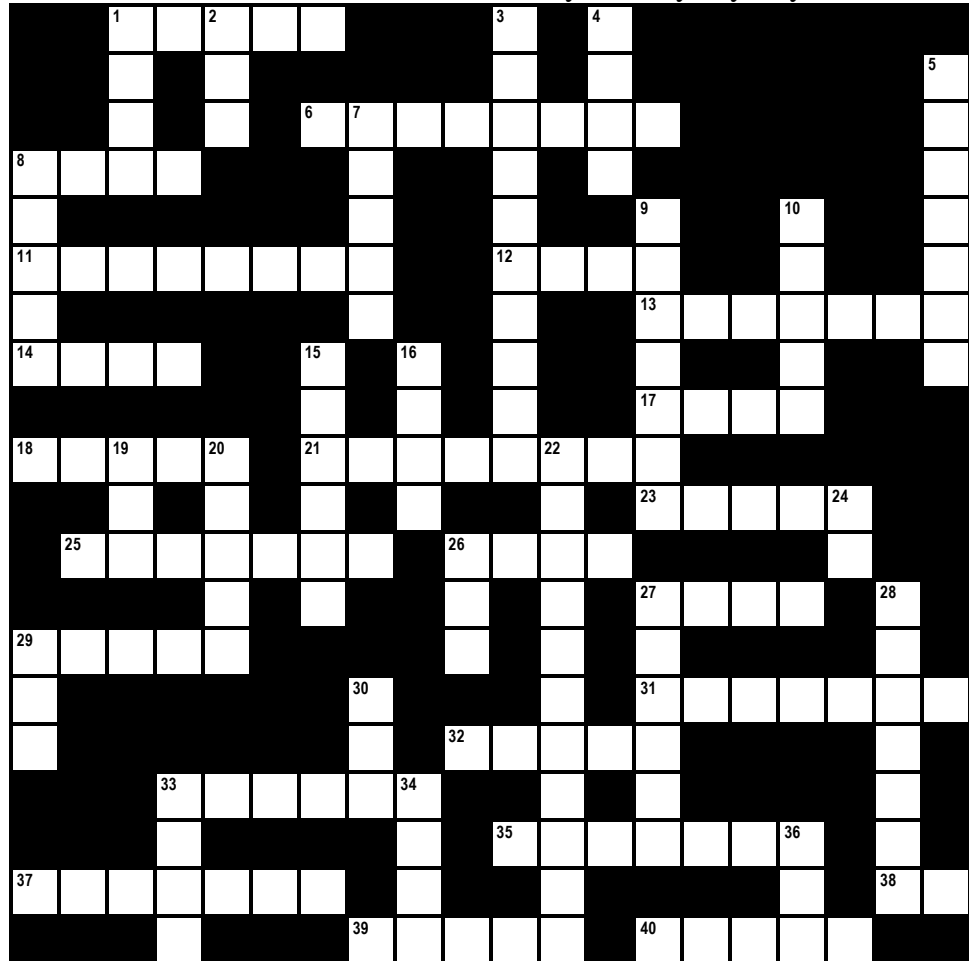

Bartimaeus wanted to see more than anything. He believed that Jesus could give him sight. Jesus healed him because of his faith. Be thankful for what God does for you. Follow the example of Jesus Christ. Forgive others. Do favors for them. Treat others as you would yourself. Treat others as you would treat Jesus Christ. Then God will bless you every day of your life.
