

**B50a Turning the Tables Over, John 2:13-22,
Feast of the Dedication of the Lateran Basilica in Rome**

Church is a place to pray and sing to God. It is a place to praise and glorify God. It is not a place to sell animals. Show reverence for God and all that he has done for you. Keep your church a good place to think and pray. Take a Bible and a Bible Story Book to church with you. You can read them while you are visiting the church. Keep in the church only things that will help you get to heaven. God will be honored by this. He will bless you and keep you close to him and his people.
