

**B51 My Words Will Last Forever, Mark 13:24-32,
Thirty-Third Sunday in Ordinary Time**

The words Jesus spoke to us will always be true. They will not pass away. They will last forever. You can trust Jesus. You can trust him because he is God the Son. God is all truth and all wisdom. He always has been. He always will be. He always remains the same. You can depend on God. He will be there for you today, tomorrow, and always. Tell God you love him and appreciate him. He is your source of knowledge, help, and wisdom. He will always be there for you.
