

B6 Magi from the East, Matthew 2:1-12, Feast of the Epiphany

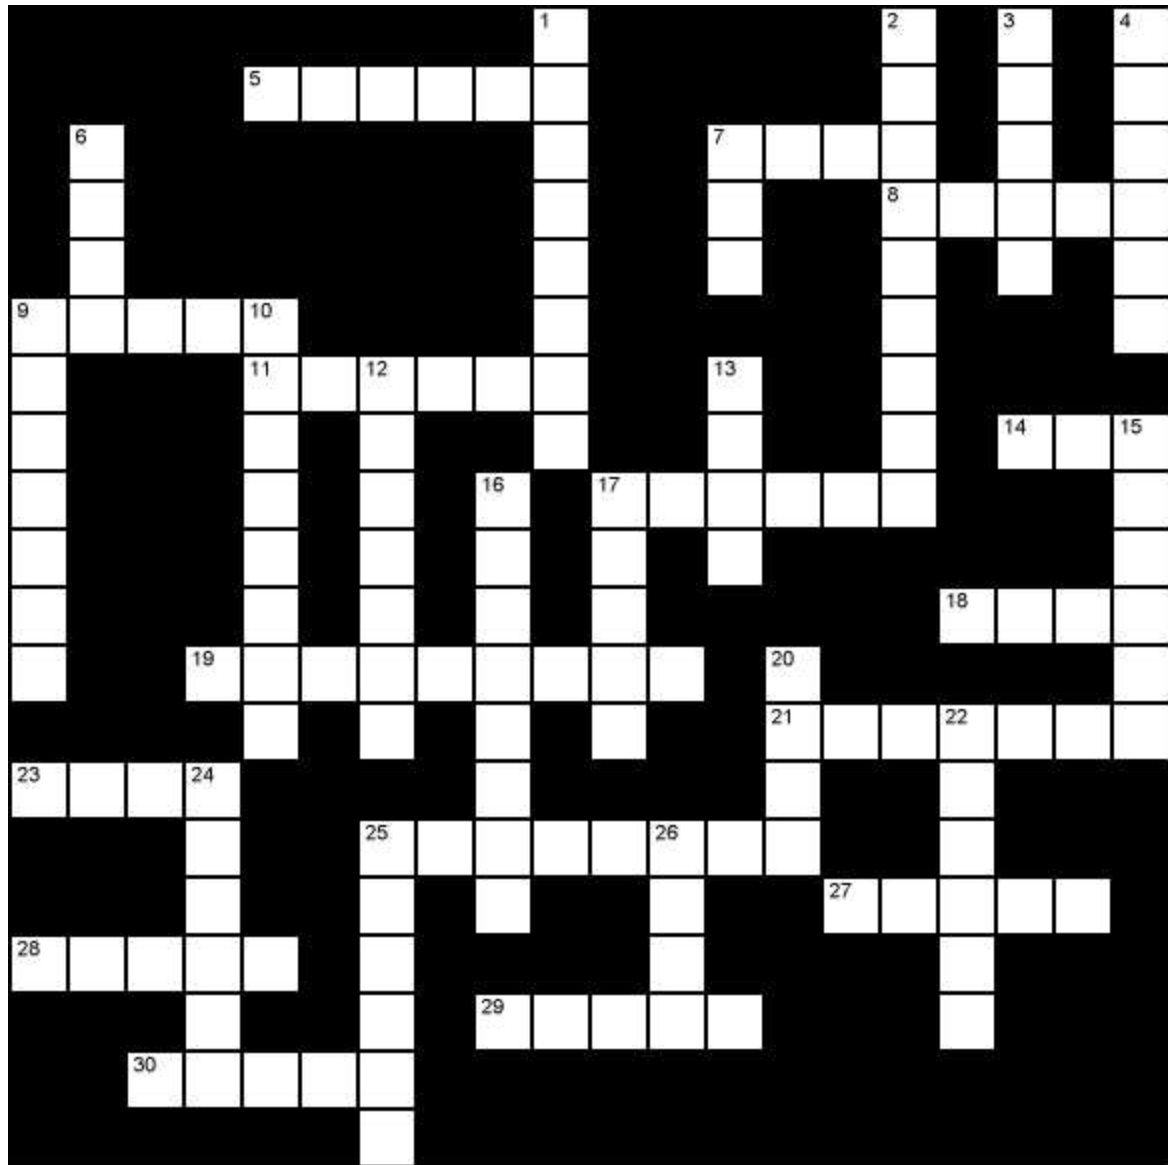

Look inside yourself today. You have many gifts to give the Christ Child. You have many gifts to give the world. Among your gifts you will find thoughtfulness, laughter, thankfulness. Those are strengths you can share with others. What you do for others, you are doing for God. Take your mother her favorite pillow. Share a funny story with your brother or sister. Before you eat, thank God for every good thing he has given you. These are gifts of wise men. These can be your gifts, too.
