

## C26 The World Knows That You Sent Me, John 17:20-26, Seventh Sunday of Easter

God is sending you today to do good for your family. He wants you to clean your room. He wants you to cheer your baby sister when she is sad. He wants you to take out the trash. He wants you to share your favorite toy with your brother. He is sending you to be happy and joyful. God the Father made you and sent you to help this world.
