

## C26a Jesus Ascends into Heaven, Luke 24:46-53

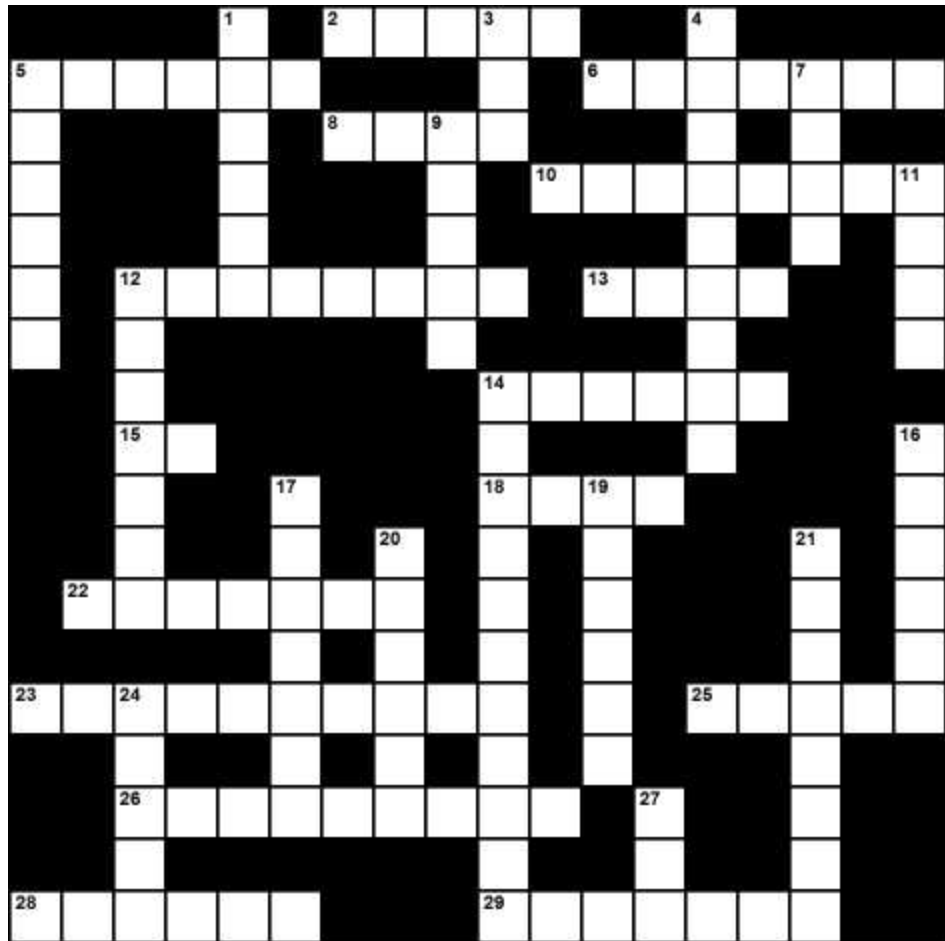

Look up in the sky. Watch the clouds go by. Imagine Jesus standing in front of you. Then he rises into the air and disappears behind a cloud. The next day you feel the power of a God within you and you begin preaching repentance, for the forgiveness of sins to everyone you meet. You begin at home and travel near and far. You know that one day you will see Jesus again in his Father's heavenly kingdom.
