

C28 The Holy Trinity, John 16:12-15

God is three persons: the Father, the Son, and the Holy Spirit. A three leaf clover, such as a shamrock shows how three people are in one God. You have one family. Your family could be just your Mother, your Father, and you. It could be that you live with an Aunt or a Grandparent. Then your family would be different from either of these. Remember to put God as the head of your family. You can talk to the Father, Jesus Christ the Son, or the Holy Spirit. All of them are there to help you and your family get to heaven.
