

C28 The Holy Trinity, John 16:12-15, Holy Trinity Sunday

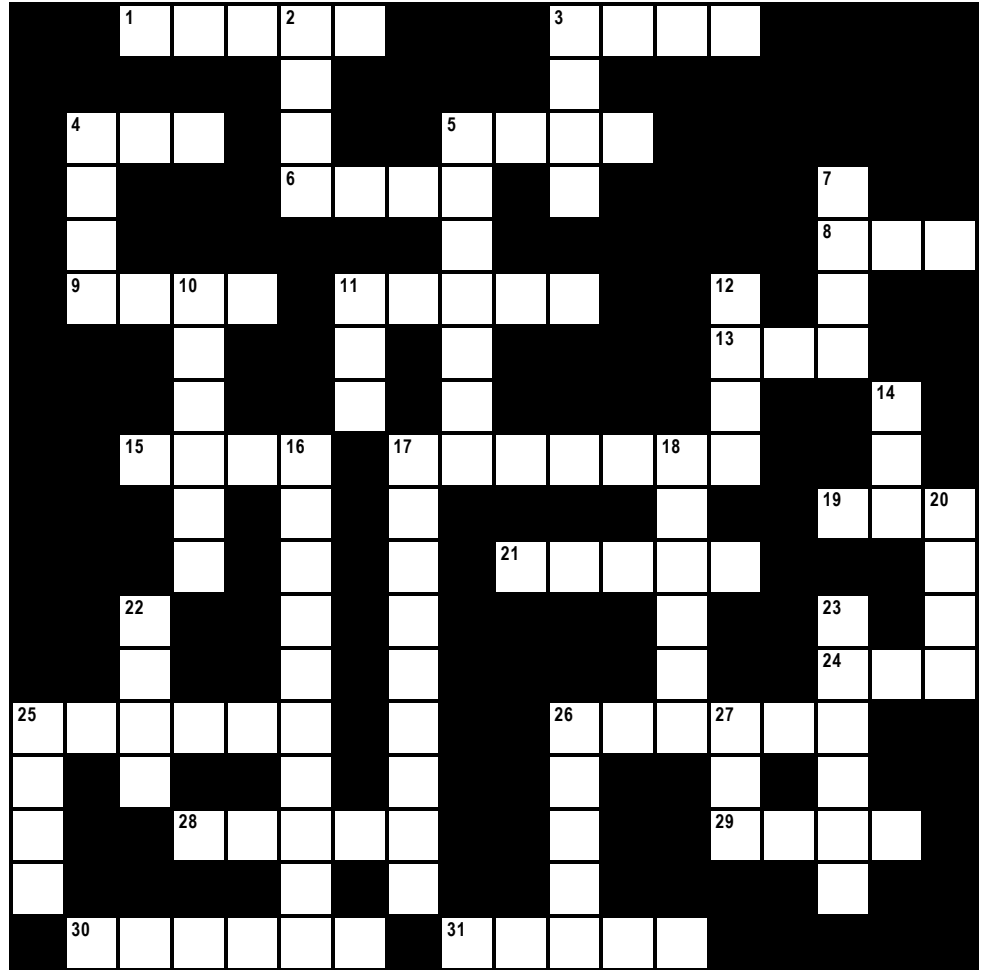

How the Father, Son, and Holy Spirit are one and the same is a mystery. However, seeing their work is no mystery. The Father creates. The Son forgives. The Holy Spirit enlightens. Look in your life. When you create something you are like God the Father. When you forgive, you are being like God the Son. When you learn something new to help yourself and others, you are being like the Holy Spirit.
