

C29 Loaves and Fishes, Luke 9:11-17

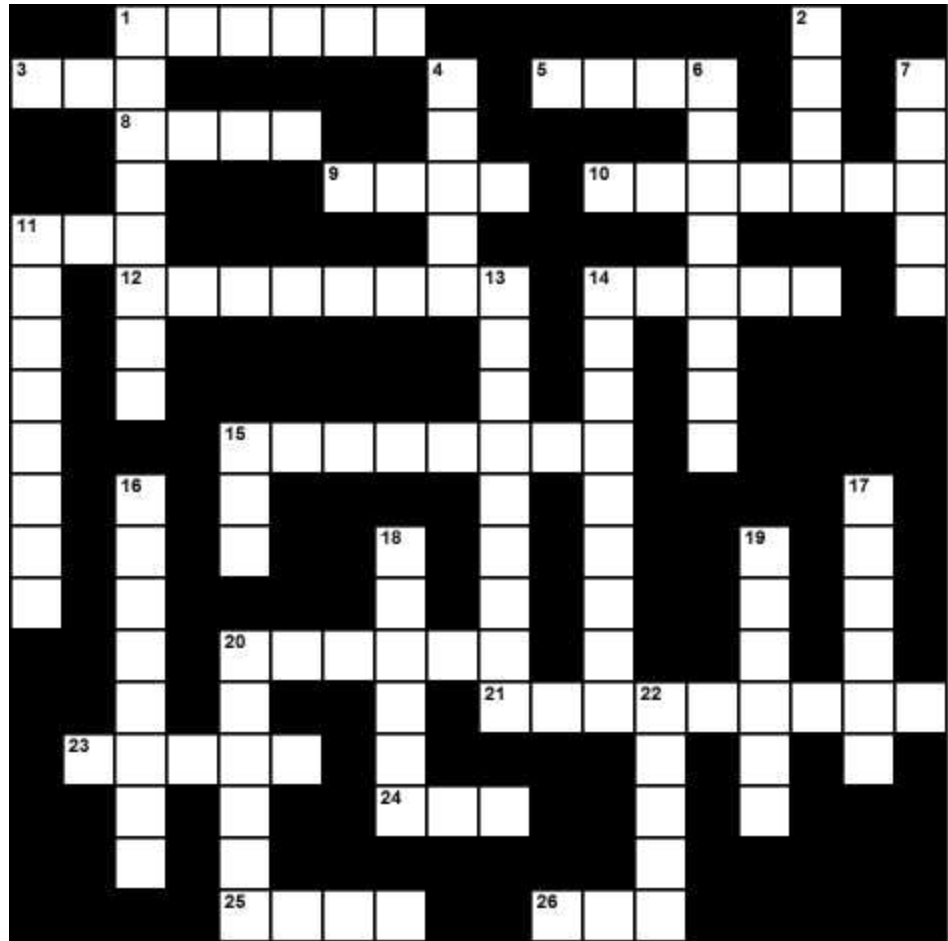

In some towns they have a group called “Loaves and Fishes.” These people give food to the hungry. They use food that is donated and feed many people who would otherwise go hungry. Take 2 bags of flour and 5 cans of food to your church office. Ask them to give them to those who are feeding the hungry in your parish. Then you will be following the example of the little boy who shared his two fish and five loaves of bread.
