

C32 Your Name Is Written in the Heavens, Luke 10:1-12, 17-20 or 1-9

Jesus told his disciples not to worry about what people said or did. He did not want them to worry about food or clothing. He told them that their names were written in the heavens. Jesus had claimed them as his own. Jesus has claimed you for himself, too. He has written your name in the heavens. When you die, God will call your name. Jesus will come to greet you. Oh, what a joyous day!
