

C37 Where Your Treasure Is, Luke 12:32-48, Nineteenth Sunday in Ordinary Time

When you choose good not evil, God puts a treasure in heaven to wait for you. He knows just what you want and need. He sends you everything you need to say, "Yes," to good. He respects you when you make mistakes and forgives you. Without forgiveness, you would not be able to receive the most important treasure, seeing and talking with God.
