

## C38 My Soul Magnifies the Lord, Luke 1:39-56

Mary was humble. God chose her because she Mary did not brag about her greatness. She wanted to help God in any way she could. Do something for God today. Do not go around telling everyone what you did. You will be humble, like Mary. God will be proud of you. He will find favor with you. He will do good things for you in return.
