

**C38a I Have Come to Set the World on Fire, Luke 12:49-53,
Twentieth Sunday in Ordinary Time**

Jesus came to spread his word like fire all over the world. He wanted to give hope and forgiveness to all people. People have a choice to believe his word. Help Jesus spread the word. Love God with your whole heart, mind, and body. Love your neighbor as yourself. Be a good example. That's a great way to spread his word.
