

**C42 The Prodigal Son, Luke 15:1-32,
Twenty-Fourth Sunday in Ordinary Time**

When you realize the mistakes you have made, God will welcome you back with open arms. Tell him you are sorry. He will celebrate and have a big party because your soul is filled with goodness and life again. Plan a forgiveness party...peanut butter and jelly is fine. The main dish is the love that is shared between you and God. That's what is so great about God. He loves you very much.
