

C43 Serve Only One Master, Luke 16:1-13

Choose with your whole heart, soul, mind, and body to love God above everyone and everything. God will reward you. If God is happy with you, you do not have to worry about anyone else. He is your master. He is the one who loves you the most. When you get confused, talk with God. If you are following his commandments, God is very happy with you.
