

C5 The Holy Family, Luke 2:41-52

Imagine you are 12 years old. You and your family travel to a church in a nearby city. The priest asks you to come and speak to the people and teach them about the word of God in the scriptures. Your Mother and Father are surprised. They ask you to come back home with them. The priests want you to stay and teach them more. What would you do? Jesus decided to go home and grow in age, knowledge, and wisdom before he went out to do his Father's work.
