If you are sad in the morning, imagine Jesus saying to you, "Come out. Arise and enjoy this day I made just for you. I will do something special for you today. This favor of mine will show you how much I love you." Now look at yourself in the mirror. God made you. You are a wonderful person with helpful hands and a loving heart. There is no other person who is exactly like you. Name ten good things about you. Then smile and do something to praise the Lord.
