If you love me, keep my commandments. Go out of your way to show me that you love God above everyone and everything in this world. Love your neighbor as yourself. When you pass a church, say a prayer. When you see someone in trouble, help if you can. If you cannot help, ask God to send someone who can. Hold the door for the next person coming behind you. If you only have a little, share it anyway with another person. When you obey the commandments, Jesus will reveal himself to you. God will bless you many times.
