Hello, Jesus. Thanks for calling me. It's great to be able to talk to you on the phone. I know you understand why life is hard for me. It brightens my days to know that you forgive me for everything I have done to hurt you. Thanks for showing me how to serve and forgive the people I meet on my way to heaven's gate. I learned the hard way that when I judge others, I am throwing bricks that boomerang back and hit me instead. Because I help others, you will send someone to help me. Thank you for loving me, Lord. I love you. Bye for now. Thanks again for calling.
