Forgive others right when they hurt you. Let go of the pain. Forgive them. Do not carry it around with you all of your life. When you say, I won't forgive them, you are picking up a bag of unforgiveness bricks that weighs 100 pounds. The stress of carrying this can cause sickness to your body, as well as to your soul. Make yourself a healthier person. Forgive someone today. Put that bag of unforgiveness down. Pick up the pillow of forgiveness. It's as light as a feather. It paves your way to heaven, too.
