Today the virgins with lamps and oil would be single ladies with flashlights and extra batteries. If you do what you know is wrong, have a good time by making fun of someone, or take something that doesn't belong to you, your batteries die. Your flashlight goes out. You can get charged up for God every day. Remember that Jesus Christ died on the cross to forgive your sins. Say "NO" to evil. Forgive yourself and others. Then you will see your way to heaven's gates.
