Look around your church. Straighten up the books in the pews. Pick up trash inside and outside your church. Pray for all the sick people you know. Ask God to keep the people in your town safe. Pray that those tempted to do wrong will decide to do good things instead. Stay a few minutes after Mass is over to thank God for your family. Sing your favorite song to God. Ask him to help you in school and at home. God will smile because you helped make his house a better place.
