Next time you reach to hit your little sister because you are angry with her, remember what you do to her, you are really doing to Jesus Christ. If it is hard for you to take out the garbage, imagine that you are doing it for Jesus. If you hold the door for someone, remember that you are doing it for Jesus, too. When it's difficult to do something, take a deep breath and say, "I'll do this one for you, Lord because I love you."
