Rejoice and be glad because Jesus Christ died and was raised from the dead. Your sins are forgiven. He loves you very much. You are blessed many times over. Feel the peace inside you from the forgiveness of your sins. Share his love with others. Forgive yourself and those who have hurt you. When Jesus forgives you, you have a new beginning. It's like today is the first day of your life. Like a little chicken hatching out of an egg, you are beginning a new life.
