Whoever blasphemes against the Holy Spirit will never have forgiveness. Do not show disrespect to the Holy Spirit by what you do or what you say. The Holy Spirit is the one who helps you repent of your sins. If you push him away, he will not be able to show you the wisdom of admitting your faults. For true forgiveness of your sins, you must repent. Tell God how sorry you are for your sins. Tell him what you will do to make sure you don't commit that same sin again. The Holy Spirit will help you stay close to God the Father forever.
