When you are tempted to do wrong, you may have to say "No" three times, ten times, or twenty times. You have to be brave and it takes courage and strength. See a picture of what will happen if you say "Yes." Hear what people will say if you say, "Yes." Three days later will you be happy or sad. If you will be on television doing it, would your parents be proud and happy or mad and sad. God will give you strength you need to say, "No," to evil. Just ask him.
